INTRO [8 BARS + DRUMS]

VERSE 1 I've been living for the weekend but no not anymore
'Cause here comes that familiar feeling that Friday's famous for
Yeah, I'm looking for some action and it's out there somewhere
You can feel the electricity all in the evening air
And it may be just more of the same II: B | % | E- | % :||X4
But sometimes you wanna go where everyone knows your name
So I guess I'll have to wait and see
But I'm just gonna let something brand new happen to me

CHORUS And it's alright, (it's alright)
It's alright, it's alright, it's alright (It's alright) II: B | % | E- | % :||
Bright lights and the big city
It belongs to us tonight (tonight, tonight)

VERSE 2 Now Friday's cool but there's something about Saturday night
You can't say what you won't do 'cause you know that you just might
I'm alive this evening, it was love at first sight
This Saturday and every Saturday for the rest of my life
And everyone standing in line II: B | % | E- | % :||X4
Yeah, looking good and looking for a real good time
So I'll never have to wonder if
I'll have someone to share all of this with

CHORUS And it's alright, (it's alright)
It's alright, it's alright, it's alright (It's alright) II: B | % | E- | % :||
Bright lights and the big city
It belongs to us tonight (tonight, tonight)

RAP Hear the night life when it's callin'
So we drink until we fallin' II: B | % | E- | % :||X4
Ain't a Laker but I'm ballin'
Need about 3 girls and I brought these girls to the club
Can I get 'em all in
Make a movie and let 'em star in it
Get drunk, get her in my car and
Do the same thing in the morning
Hear 'em hating but we ignore them
Which one wanna go
