CLEANIN' UP THE TOWN

/   /

VERSE - Gonna tell you a story   intro | G | F | E F F# G |
         About a little town I know
         They had a real big problem | G# A Bb B |
         With some big mean local ghost $
         Those spooks were making ||: C | % | % | % :||
         The whole city lose control
                                                  | C | F | C | % |

         Well, the Mayor was frantic
         The town was panicked | F | % | C | % |
         Cause they had no sense of fear
         Cause they knew they were missing | G | F | C | % |
         Those boys with a mission
          So they called them up right chere | C | F | C | % |

CHORUS - They were boxing and trapping | F | % | C | % |
          And shooting through the joint
          Stepped right in and ||: G // F# | F // F# :||
          Got down to the point
          Those Ghostbusters came in | G // F# | F |
          Cleaning up the town
                                                   | C | % :||
          Oh, yeah   ds al coda

VERSE - About five o'clock, those boys came up
          And they could see those spooks were real
          And they knew they'd better get right to work
          So they revved up the Ectomobile

          Yeah, the boys were ready
          Their aim was steady and
          Their hearts were made of steel

Well, the Mayor, he started ranting around
And the whole town started to roar
And they're seeing this town that rocked
Those slimers dropped down to the floor

BRIDGE - They were boxing and trapping | D7#9 | % |
         And shooting through the joint
         Stepped right in and
         Got down to the point   D7#9 cromatic to G7#9
         You shoulda seen those
         Spectres in the trap saying
         Those boys, make 'em dance   (piano and gtr solo)

VERSE - Well, New York | C7 | % | % | % |
         New York's so happy now
         They rocked that building, boy | F7 | % | % | % |
         But if the boys hadn't come to the rescue
         The spooks might still be making noise
