John

In this proud land, we grew up strong

We were wanted all along

I was taught to fight, taught to win

I never thought I could fail

No fight left or so it seems

I am a man whose dreams have all deserted

I've changed my face, I've changed my name

But no one wants you when you lose

Pink

Don't give up 'Cause you have friends

Don't give up You're not beaten, yet

Don't give up I know you can make it good

John

Though I saw it all around

Never thought I could be affected

Thought that we'd be the last to go

It is so strange the way things turn

Drove the night toward my home

The place that I was born, on the lakeside

As daylight broke, I saw the earth

The trees had burned down to the ground

Pink

Don't give up You still have us

Don't give up

We don't need much of anything, no

Don't give up

'Cause somewhere there's a place

where we belong
