Intro:

4 BARS PIANO + GUITAR

Verse 1:

Slip inside the eye of your mind
Don't you know you might find
A better place to play
You said that you'd never been
But all the things that you've seen
Will slowly fade away

{ C G | A- E | F G | C A-G }

Bridge:

So I start a revolution from my bed
'Cause you said the brains I had went to my head.
Step outside, summertime's in bloom
Stand up beside the fireplace
Take that look from off your face
You ain't ever gonna burn my heart out

And so Sally can wait, she knows it's too late as
we're walking on by
Her soul slides away, but don't look back in
anger I heard you say

Take me to the place where you go
Where nobody knows if it's night or day
But please don't put your life in the hands
Of a Rock n Roll band
Who'll throw it all away
