intro

verse1

Hey Mickey  
You've been around all night,  
and that's a little long  
You think you've got the right,  
but I think you've got it wrong  
Why can't you say goodnight?  
So you can take me home Mickey?

You're givin' me the chills, baby,

Oh Mickey, what a pity, you don't understand  
You take me by the heart when you take me by the hand  
Oh Mickey, you're so pretty, can't you understand  
It's guys like you, Mickey  
Oh what you do Mickey, do Mickey,  
Don't break my heart, Mickey

verse2

Hey Mickey  
Now when you take me by the hooves,  
who's ever gonna know  
And every time you move I let a little more show  
There's something you can use,  
so don't say no Mickey

So come on and give it to me anyway you can  
Anyway you want to do it, I'll take it like a man  
But please baby, please don't leave me in the damn Mickey
