

# I Don't Feel Like Dancing

## Intro:

4 BARS PIANO AND KICK

## Verse 1:

Wake up in the morning with a head like 'what ya done?'  
This used to be the life but I don't need another one.  
You like cuttin' up and carrying on, you wear them gowns.  
So how come I feel so lonely when you're up getting down?

## Bridge:

So I'll play along when I hear that special song  
I'm gonna be the one who gets it right.  
You'd better move when you're swayin' round the room  
Looks like the magic's only ours tonight

## Chorus:

But I don't feel like dancin'  
When the old Joanna plays  
My heart could take a chance  
But my two feet can't find a way  
You'd think that I could muster up a little soft-shoe gentle sway  
But I don't feel like dancin'  
No sir, no dancin' today.  
Don't feel like dancin', dancin'  
Even if i find nothin' better to do  
Don't feel like dancin', dancin'  
Why'd you pick a tune when I'm not in the mood?  
Don't feel like dancin', dancin'  
I'd rather be home with the one in the bed till dawn, with you,

## Instrumental:

## Verse 2:

Cities come and cities go just like the old empires  
When all you do is change your clothes and call  
that versatile.  
You got so many colours make a blind man so  
confused.  
Then why can't I keep up when you're the only  
thing I lose?

## Bridge:

So I'll just pretend that I know which way to bend  
And I'm gonna tell the whole world that you're  
mine.  
Just please understand, when I see you clap your  
hands  
If you stick around I'm sure that I'll be fine

## Middle 8:

You can't make me dance around  
But your two-step makes my chest pound.  
Just lay me down as you float away into the  
shimmer light.
