verse1
Huh, yeah, woo
Clock strikes upon the hour
And the sun begins to fade
Still enough time to figure out
How to chase my blues away
I've done alright up to now
It's the light of day
That shows me how
And when the night falls
Loneliness calls

verse2
I've been in love
And lost my senses
Spinning through the town
Sooner or later the fever ends
And I wind up feeling down
I need a man
 Who'll take a chance
On a love that burns
Hot enough to last
So when the night falls
My lonely heart calls
