intro

verse1

The club isn't the best place to find a lover  
So the bar is where I go (mmmm)  
Me and my friends at the table doing shots  
Drinking fast and then we talk slow (mmmm)  
And you come over and start up a conversation  
with just me  
And trust me I'll give it a chance now (mmmm)  
Take my hand, stop, put Van The Man on the  
jukebox  
And then we start to dance  
And now I'm singing like

verse2

Girl, you know I want your love  
Your love was handmade for somebody like me  
Come on now, follow my lead  
I may be crazy, don't mind me  
Say, boy, let's not talk too much  
Grab on my waist and put that body on me  
Come on now, follow my lead  
Come, come on now, follow my lead (mmmm)

verse3

I'm in love with the shape of you  
We push and pull like a magnet do  
Although my heart is falling too  
I'm in love with your body  
Last night you were in my room  
And now my bedsheets smell like you  
Every day discovering something brand new  
I'm in love with your body
