verse1

You know as true as trees are tall
And autumn leaves do fall
Oh, it sometimes rains in paradise
And even the warmest heart can turn to ice
I know it happened to us all
Every kind of people fall
And after all the tears are gone
Do we have the heart to carry on?

verse1

To think of all the times I hurt you
And never thought it through Oh,
I treated you so badly baby
Could such a cruel heart ever be free
I know it happens to us all
Every kind of people fall
Ooh, and after all is said and done
Do we have the heart to carry on?
