verse1

When we played tag in grade school
You wanted to be It.
But chasing boys was just a fad
You crossed your heart you'd quit.
When we grew up you traded
Your promise for my ring
Now just like back to grade school
You're doing the same old thing!

|| Eb Ab | F- Bb | G- C- | AbG-F-Eb|| x2

chorus

Stop, the love you save may be your own!
Darling, take it slow
Or some day you'll be all alone.
You'd better stop, the love you save may be
your own!
Darling, look both ways before you cross me
You're headed for the danger zone.

|| Eb Ab | F- Bb | G- C- | AbG-F-Eb|| x2

verse2

I'm the one who loves you!
I'm the one you need!
Those other guys will put you down
As soon as they succeed!
They'll ruin your reputation!
They'll label you a flirt!
The way they talk about you
They'll turn your name to dirt, oh!

verse3

Isaac said he kissed you
Beneath the apple tree
When Benji held your hand he felt
Electricity
When Alexander called you
He said he rang your chimes.
Christopher discovered
You're way ahead of your times!
