Verse 1:

Wake up kids
 We've got the dreamers disease
 Age fourteen we got you down on your knees
 So polite, you're busy still saying please
 Frienemies, who when you're down ain't your friend
 Every night we smash their Mercedes-Benz
 First we run, and then we laugh 'til we cry

Bridge:

But when the night is falling
 You cannot find the light
 You feel your dreams are dying
 Hold tight
 You've got the music in you

Chorus:

Don't let go
 You've got the music in you
 One dance left
 This world is gonna pull through
 Don't give up
 You've got a reason to live
 Can't forget
 We only get what we give

You Get What You Give

I'm comin' home baby
You're tops,
Give it to me now

God's flying in for your trial
