

# Bright Lights Bigger City

INTRO [ 8 BARS SYNTH, GUITAR & BASS ]

INTRO [ 8 BARS + DRUMS ]

VERSE 1 I've been living for the weekend but no not anymore  
'Cause here comes that familiar feeling that Friday's famous for  
Yeah, I'm looking for some action and it's out there somewhere  
You can feel the electricity all in the evening air  
And it may be just more of the same  
But sometimes you wanna go where everyone knows your name  
So I guess I'll have to wait and see  
But I'm just gonna let something brand new happen to me

CHORUS And it's alright, (it's alright)  
It's alright, it's alright, it's alright (It's alright)  
Bright lights and the big city  
It belongs to us tonight (tonight, tonight)

VERSE 2 Now Friday's cool but there's something about Saturday night  
You can't say what you won't do 'cause you know that you just might  
I'm alive this evening, it was love at first sight  
This Saturday and every Saturday for the rest of my life  
And everyone standing in line  
Yeah, looking good and looking for a real good time  
So I'll never have to wonder if  
I'll have someone to share all of this with

CHORUS And it's alright, (it's alright)  
It's alright, it's alright, it's alright (It's alright)  
Bright lights and the big city  
It belongs to us tonight (tonight, tonight)

BRIDGE Hear the night life when it's callin'  
So we drink until we fallin'  
Ain't a Laker but I'm ballin'  
Need about 3 girls and I brought these girls to the club  
Can I get 'em all in  
Make a movie and let 'em star in it  
Get drunk, get her in my car and  
Do the same thing in the morning  
Hear 'em hating but we ignore them  
Which one wanna go  
Rollin' this green, hit one on the low  
Champagne, meet broads on the floor  
We gettin' bread so we toast  
To the life and the fact that we major  
Not to mention we Taylored  
Been in the game, player  
Who up next neighbours

←BREAK DOWN

CHORUS And it's alright, (it's alright)  
It's alright, it's alright, it's alright (It's alright)  
Bright lights and the big city  
It belongs to us tonight (tonight, tonight)

CHORUS REPEAT

OUTRO Alright
