

Car Wash

VERSE 1 OOOH OOH You might not ever get rich
But let me tell you it's better than digging a ditch
There ain't no telling who you might meet
A movie star or maybe even an Indian chief

CHORUS Working at the car wash
Working at the car wash, yeah
Come on and sing it with me, car wash
Sing it with the feeling now, car wash yeah

VERSE 2 Come some of the work get's kind of hard
This ain't no place to be if you planned on being a star
Let me tell you it's always cool
And the boss don't mind sometimes if you act a fool

CHORUS

VERSE 3 (Work and work) Well those cars never seem to stop coming
(Work and work) Keep those waxin' machines humming
(Work and work) My fingers to the bone
(Work and work) Keep up, I can't wait till it's time to go home

BRIDGE Hey, get your car washed today
Be in our band, you don't have to pay
Come on and give us a play
