

IM STILL STANDING

INTRO *KEYS THEN COUNT IN*

VERSE 1 You could never know what it's like
 Your blood like winter freezes just like ice
 And there's a cold lonely light that shines from you
 You'll wind up like the wreck you hide behind that *mask you use*

VERSE 2 And did you think this fool could never win?
 Well look at me, I'm a-coming back again
 I got a taste of love in a simple way
 And if you need to know while I'm still standing, you *just fade away*

CHORUS 1 Don't you know I'm still standing better than I ever did /
 Looking like a true survivor, feeling like a little kid
 I'm still standing after all this time //
 Picking up the pieces of my life without you on my mind
 I'm still standing (*Yeah yeah yeah*) X 2

VERSE 3 Once I never could hope to win
 You starting down the road leaving me again
 The threats you made were meant to cut me down
 And if our love was just a circus you'd be a *clown by now*

CHORUS 2 You know I'm still standing better than I ever did

GTR SOLO

CHORUS 3 Don't you know that I'm still standing better than I ever did

 I'm still standing (*Yeah yeah yeah*) X 4

END AFTER 4TH ///
