

Jessie's Girl

Verse 1 Jessie is a friend, yeah
I know he's been a good friend of mine
But lately something's changed that ain't hard to define
Jessie's got himself a girl and I want to make her mine

Bridge 1 And she's watching him with those eyes
And she's loving him with that body, I just know it
Yeah 'n' he's holding her in his arms late, late at night

Chorus 1 You know I wish that I had Jessie's girl
I wish that I had Jessie's girl
Where can I find a woman like that

Verse 2 I play along with the charade
There doesn't seem to be a reason to change
You know, I feel so dirty when they start talking cute
I wanna tell her that I love her
But the point is probably moot

Bridge 2 Cause she's watching him with those eyes

Chorus 2 You know I wish that I had Jessie's girl ...

Chorus 3 Like Jessie's girl I wish that I had Jessie's girl

Middle 8 And I'm looking in the mirror all the time
Wondering what she don't see in me
I've been funny, I've been cool with the lines
Ain't that the way love supposed to be
