Verse 3	Look me up in the yellow pages Your see through fads and your crazy phases yeah Little Bo Peep has lost his sheep The dew is wet but the grass is sweet, my dear Your mind gets burned with the habits you've learned But we're the generation that's got to be heard You're tired of your teachers and your school's a drag You're not going to end up like your mum and dad	I will be your rock of ages He popped a pill and fell asleep
