

Stop Talking to Me

Intro

Verse 1

You come up to me with a question
In your eyes acting like you got some a big surprise
I already know I already know

Verse 2

I don't like the way you're talking to me
Because don't you see I know everything
So don't try to put you limit on me

Bridge 1

I don't want to hear what you have to say
I just better turn around and walk away
I'll say something that I'll regret
That you and I will never forget

Chorus 1

Just stop talking to me X 2
Shut up That's it Ive Had enough

Verse 3

Stop
Telling me what I missed
I don't care that everybody got pissed
Well I know they told me I know

Verse 4

HEY HEY ! (ALL)
I got a secret
Have you heard the latest news?
Yeah I know, do you wanna know?

Bridge 2

I don't want to hear what you have to say
I just better turn around and walk away
I'll say something that I'll regret
That you and I will never forget

Chorus 1

Just stop talking to me X 2
Shut up That's it Ive Had enough

Solo

CHANT

Just stop talking to me X 4 (ALL)

Refrain

Just stop talking to me X 4
Shut up That's it Ive Had enough
