

Tempted

Intro Hammond 4 bars

Verse 1 I bought a toothbrush, Some toothpaste,
A flannel for my face
Pajamas, A hairbrush New shoes and a case
I said to my reflection "Let's get out of this place"
Passed the church and the steeple The laundry on the hill
The Billboards and the buildings Memories of it still
Keep calling And calling But forget it all I know I will

Chorus 1 Tempted by the fruit of another
Tempted but the truth is discovered
What's been going on Now that you have gone
There's no other Tempted by the fruit of another
Tempted but the truth is discovered
