intro

verse1

Say you don't know me  
or recognize my face  
Say you don't care who goes  
to that kind of place  
Knee deep in the hoopla,  
sinking in your fight  
Too many runaways  
eating up the night

verse3

Someone's always playing  
corporation games  
Who cares, they're always  
changing corporation names  
We just want to dance here,  
someone stole the stage  
They call us irresponsible,  
write us off the page
