

## 25 or 6 to 4

### Intro

Verse 1    Waiting for the break of day  
              Searching for something to say  
              Flashing lights against the sky  
              Giving up, I close my eyes

Chorus 1    Sitting cross-legged on the floor  
              Twenty five or 6 to 4

Verse 2    Staring blindly into space  
              Getting up to splash my face  
              Wanting just to stay awake  
              Wondering how much I can take

Chorus 2    Should I try to do some more?  
              Twenty five or 6 to 4, oh yeah!

### Solo      GTR

Verse 3    Feeling like I ought to sleep  
              Spinning room is sinking deep  
              Searching for something to say  
              Waiting for the break of day, woo-oooh

Chorus 3    Twenty five or 6 to 4  
              Twenty five or 6 to 4, alright

### Solo 2

Ending    *Intro x 2 + Intro slowed down*
