

Don't You , Forget About Me

Intro1 2 3 4 // Hey hey hey hey // Ooooh oh //

Verse 1Won't you come see about me
I'll be alone, dancing, you know it baby
Tell me your troubles and doubts
Giving me everything inside and out
And love's strange so real in the dark
Think of the tender things that we were working on
Slow change may pull us apart
When the light gets into your heart, baby

Chorus 1Don't you Forget about me
Don't don't don't don't
Don't you forget about me

Bridge 1Will you stand above me
Look my way never love me
Rain keeps falling, rain keeps falling
Down down down
Will you recognise me
Call my name or walk on by
Rain keeps falling, rain keeps falling
Down down down down
