

## "Every Breath You Take"

Verse 1      Every breath you take    Every move you make  
Every bond you break    Every step you take  
I'll be watching you

Verse 2      Every single day              Every word you say  
Every game you play      Every night you stay  
I'll be watching you

Chorus 1      Oh, can't you see              You belong to me  
How my poor heart aches with every step you take

Verse 3      Every move you make    Every vow you break  
Every smile you fake    Every claim you stake  
I'll be watching you

Middle 8      Since you've gone I've been lost without a trace  
I dream at night I can only see your face  
I look around but it's you I can't replace  
I feel so cold and I long for your embrace  
I keep crying baby, baby please
