

## Faith

*Intro Organ Build - Gtr Strum 2 Bars - Bass and Hat*

Verse 1 Well, I guess it would be nice if I could touch your body  
I know not everybody has got a body like you  
But I gotta think twice before I give my heart away  
And I know all the games you play because I played them, too

Bridge 1 Oh, but I need some time off from that emotion  
Time to pick my heart up off the floor  
Oh, when that love comes down with out devotion  
Well, it takes a strong man, baby  
But I'm showin' you the door

Chorus 1 Cause I gotta have faith I gotta' have faith  
Because I gotta have faith, faith, faith  
I got to have faith, faith, faith

Verse 2 Baby, I know you're askin' me to stay  
Say "Please, please, please don't go away"  
You say I'm givin' you the blues  
Maybe, Huh you mean every word you say  
Can't help but think of yesterday  
And another who tied me down to loverboy rules

Bridge 2 Well Before this river becomes an ocean  
Before you throw my heart back on the floor  
Oh, oh, baby, I reconsider my foolish notion  
Well, I need someone to hold me but I'll wait for something more

Chorus 2 Yes, I gotta have faith Ooh, I gotta have faith  
Because I gotta have faith, faith, faith  
I gotta have faith, faith, faith

*Solo 4 Bars then Vocals come over 4 more bars solo*  
I'll just have to wait Because I've got to have faith  
I gotta have faith  
I've got to, got to, got to have faith

Bridge 3 Well Before this river becomes an ocean  
Before you throw my heart back on the floor (*I just gotta have faith*)  
Oh, oh, baby, I reconsider my foolish notion  
Well, I need someone to hold me but I'll wait for something more

*Pause 5 count*

Because I gotta have faith, faith, faith
