Let's Straighten It Out

VERSE 1   Sit yourself down, girl, and talk to me
Tell me what's on your mind
Don't keep telling me everything's ok,
'Cause if it was, you wouldn't be crying

VERSE 2   You've been tossing and turning in your sleep lately
Sitting around crying all day long
How in hell do you expect me to understand
When I don't even know what's wrong

CHORUS   baby
Let's straighten it out
Let's straighten it out
Let's straighten it out
Let's straighten it out

VERSE 3   Well the last five nights when we went to bed
I could tell something wasn't right
When you turned your back and you covered your head
You didn't even say good-night

VERSE 4   If you're tired and you don't wanna be bothered, baby
Just say the word and I'll leave you alone
Instead of lying there crying your eyes out baby
You and me oughta be getting it on

CHORUS   I wanna know
Let's straighten it out
Let's straighten it out, baby
Let's straighten it out
Let's straighten it out

SOLO

VERSE 3   If you're tired and you don't wanna be bothered, baby

Instead of lying there crying your eyes out baby
You and me oughta be getting it on

Let's straighten it out, baby
Let's straighten it out, baby
Let's straighten it out, woah
Let's straighten it out now, c'mon baby
