

La Vida Loca

Verse 1 She's into superstitions Black cats and voodoo dolls
I feel a premonition That girl's gonna make me fall
She's into new sensations New kicks in the candlelight
She's got a new addiction For every day and night

Bridge 1 She'll make you take your clothes off and go dancing in the rain
She'll make you live her crazy life, but she'll take away your pain
Like a bullet to your brain Come on!

Chorus 1 *Upside, inside out* She's livin' la vida loca
She'll push and pull you down Livin' la vida loca
Her lips are devil red And her skin's the color mocha
She will wear you out Livin' la vida loca *Come on!*
Livin' la vida loca Come on! She's livin' la vida loca

Verse 2 Woke up in New York City In a funky cheap hotel
She took my heart, and she took my money
She must've slipped me a sleeping pill

Bridge 2 She never drinks the water makes you order French champagne
Once you've had a taste of her You'll never be the same
Yeah, she'll make you go insane Come on!

Chorus 2 *Upside, inside out* She's livin' la vida loca
She'll push and pull you down Livin' la vida loca
Her lips are devil red And her skin's the color mocha
She will wear you out Livin' la vida loca *Come on!*
Livin' la vida loca Come on! She's livin' la vida loca
