

# The Love You Save

INTRO Stop! Nanana! You'd better save it!  
Stop, stop, stop, you'd better save it!  
INTRO Do do do do...

VERSE 1 When we played tag in grade school  
You wanted to be It.  
But chasing boys was just a fad  
You crossed your heart you'd quit.  
When we grew up you traded  
Your promise for my ring  
Now just like back in grade school  
You're doing the same old thing!

CHORUS Stop! The love you save may be your own!  
Darling, take it slow  
Or some day you'll be all alone.  
Better stop the love you save may be your own!  
Darling, look both ways before you cross me  
You're headed for the danger zone.

VERSE 2 I'm the one who loves you!  
I'm the one you need!  
Those other guys will put you down  
As soon as they succeed!  
They'll ruin your reputation!  
They'll label you a flirt!  
The way they talk about you  
They'll turn your name to dirt, oh!

VERSE 3 Isaac said he kissed you  
Beneath the apple tree  
When Benjie held your hand he felt  
E-lec-tri-ci-tee!  
When Alexander called you  
He said he rang your chimes.  
Christopher discovered  
You're way ahead of your times!
